

HOW Missions?
FUSION Youth Weekend 2022
Jason S. DeRouchie, PhD
Colossians 1:24–29

1. *How Missions?* By joyfully suffering to illustrate Christ's afflictions and love for those he died to save (v. 24).
2. *How Missions?* By toiling with God's power to proclaim Christ through warning and teaching (vv. 28–29).

Synthesis: God has purposed that the church engage in missions to fulfill his word by helping people value Christ as their greatest treasure, which is the mark of Christian maturity. *Missionaries accomplish this task by joyfully suffering to illustrate Christ's afflictions and love for those he died to save and by toiling with God's power to proclaim Christ through warning and teaching.*
